up Timothy Scanlon, a Dallas, Tex., youth, who is visiting St. Louis.
Scanlon is 14 years old. He has been staying at No. 2210 Pine street since his arrival in the city.

On Sunday night Scanlon went to the theater and took a seat in the galiery. Between the acts he amused himself by counting his money. When the show was over a crowd of boys followed him out and waylaid him about four blocks from the theater. Two of them gave him the "strong arm," while a third relieved him of \$3.50. Ray was arrested a short time afterwards and Scanlon positively identified him. A warrant charging robbery in the first degree was issued against him.

HYPNOTIST OFFERS TO CONTROL JURY.

Letter From Clairvovant to Jessie Morrison's Father Was Promptly Burned.

WANTED \$1,500 FOR SERVICES.

Writer Said She Could Hypnotize the Twelve Men From a Distance-Mrs. Castle's Statement May Be Excluded.

REPUBLIC SPECIAL.

Wichita, Kas., Nov. 26.-Jessie Morrison was brought into court at Eldorado this afternoon to witness the closing scenes in the drawing of the jury to try her for the murder of Mrs. Olin Castle. She was dressed in black and appeared pale and nervous, She were a fur collarette and brown walking but.

Twelve men had been chosen, but the defense at once commenced using up their eleven challenges and had two discharged. Subposenas were issued for several more witnesses for the State to-day. They are unimportant witnesses.

It has been decided that the dying statement of Mrs. Castle will not be introduced as testimony unless Judge Shinn decides that it is an ante-mortem statement. If the statement was made at the time when Mrs. Castle believed that she was going to die and the defense can so prove, then the statement will be admitted under the law. but if it was written by her and contains the sentence, "I do not know whether I am going to die or not," then it will be barred out. So said Judge Shinn to-day.

Those who have seen the statement say it contains the last phrase. J. N. Cannon of Hickory Township has been subpoenaed to testify for the State.

Miss Morrison's father said to-day that both he and the girl are sure of acquittal. During the last few days her appetite has fallen off, and since she was arrested she has lost fifteen pounds in weight. Judge Morrison, father of the prisoner, to-day received a letter from a clairvoyant

in Wichita, who offered to hypnotize the jury for \$1,500. She stated that she could hypnotize them from here just as well as from Eldorado. The letter was burned. He also received another letter from a man who offered to sit on and block the jury for \$25. He turned this letter over to his attorneys and they will investigate whether the letter was sent as a trap.

It is reported that the jury venire has been illegally drawn and that the defense will go to trial without much further de-lay and if Miss Morrison is convicted they will show that it was a mistrial.

The principal subject to be considered will be the advisability of protesting against the reappointment of the present Police Board by Governor Dockery. This matter was suggested at the Mercantle Club meeting two weeks ago, the discussion at that time relative to St. Louis vice and the best way to eliminate it being participated in by E. C. Simmons, J. B. Desnoyers and others, a decision to take up and consider the qualification of the present members of the Police Board at to-day's meeting resulting. All interested are cordially invited to attend.

Mrs. D. E. Reed of Albany says: "I would not take \$500 and be placed back where I was before I used the Pyramid Pile Cure: I suffered for years and it is now eighteen months since I used it and not the slightest trace of the trouble has returned."

Mrs. Hinkley of Indianapolis was told by her physician that nothing but a surgical operation, costing between seven and eight hundred dollars, could cure her, as she had suffered fifteen years, yet even in such a case the Pyramid Pile Cure accomplished a complete cure; she says: "I knew an operation would be death to me and tried the Pyramid with very little hope, so it is not to be wondered at that I am so enthusiastic in its praise."
